RE: Work Order No. 3 – Remaining Contract Fee and Work Order No. 7 Amendment

Dear Mr. Landers,

We request your concurrence and approval of the transfer of the remaining contract fee for engineering services from Work Order #3 (2023-24 Resurfacing) to Work Order # 7 (RBI/MFT Resurfacing). Additional engineering services were required for WO 7 as a result of the favorable bids received on the initial Rebuild IL (RBI) resurfacing plans. These services included:

Second set of resurfacing plans and contract bidding documents, which includes the following subsequent required items:

- Coordination with the IDOT Local Roads and Streets department for review and approval of contract bidding documents
- Coordination of letting and contract execution
- Construction phase services (including documentation and coordination of contractor pay estimates)

	Contract Amount	Contract Fee Billed to Date	CMT Effort Expended thru 12/31/2025	Remaining Contract Amount
Work Order #3	\$167,000	\$153,941.07	\$153,941.07	\$13,058.93
Work Order #7	\$110,000	\$110,000.00	\$126,196.78	(\$16,196.78)

In addition to the items listed above, close-out documentation required by IDOT for both of the RBI/MFT resurfacing construction contracts is outstanding work to be completed.

CMT is requesting an amendment in the amount of \$3,137.85 for WO #7 to cover the outstanding effort already incurred to provide the engineering services for WO #7.

Sincerely,

Kristin Timmons, P.E.
