Uriah Kilgalin with LEAD – Future of Lincoln College Presentation

The commercial buildings have been purchased by a benevolent benefactor (who wishes to remain anonymous) with the intent to give it away or sell at a low market price. The residential buildings are still with Mr. Chase Huston.

A press release was sent out just before the meeting explaining the program. The intent is to have \$1 annual leases with the eventual goal to give away the property to nonprofits and then to sell at a \$40 - \$50 square foot rate to for profit businesses. The goal is to bring new businesses and new jobs to Lincoln.

More research is needed for the best location for the Heritage Museum. There have been several people reach out to the College Board for acquiring a building. This is open now and live. The RFI closes on Oct 30th.

Council Resolution of Support

A resolution showing the council supports the city applying for the Streetscape and Demolition Grant. These have to be voted on in the next meeting and is a requirement for the grant application. This item will be placed on the regular agenda.

Resolution of Support and Commitment of Local Funds

This is also for the CDBG Grants. The estimated project cost is \$295,000; the total amount of the grant is \$250,000. The city would need to use \$45,000 of city funds to cover the difference.

This item will be placed on the regular agenda.

Proclamation National See Tracks? Think Train Week

This item will be placed on the regular agenda.

Sludge/Grit/ Waste Disposal

This is an annual budgeted item to haul sludge to the landfill. The city pays to haul it and dispose of it. This item will be placed on the regular agenda.

Ordinance Outlining Condemnation Proceedings

This is an enhancement to the current ordinance. Section E has been added. It outlines the rights and process that the Building and Safety Office needs to go through to condemn a building. This will streamline the city's side of the process. The last time the city condemned a building, it took 3 years to go through the court process.

This item will be placed on the regular agenda.

Community Development Block Grant (CDBG) Streetscape and Demolition Projects.

Required Topics for the Demolition Project:

1. The amount of funds available;
 - State Funds: \$250,000
 - Non-State Funds: \$45,000 (City)
 - Total Funds: \$295,000
2. The project activities that will be undertaken with CDBG funding, including amount;
 - Environment Hazardous Remediation
 - Building Demolition

- Site Stabilization and Restoration
- Project Administration and Construction Management

We do not have a cost breakdown for each of these activities. The total cost is estimated to be \$250,000.

3. The project activities that will be undertaken with additional project funding, including amount;
 - Demolition \$25,000
 - Activity Delivery \$20,000
4. The estimated amount proposed for activities that will benefit LMI individuals;
 - \$250,000
5. Plans for minimizing displacement as a result of the CDBG grant-assisted activities and to assist persons actually displaced, if applicable;
 - The City anticipates that the proposed CDBG demolition project will result in little to no displacement as the building has been abandoned since 2013.
6. A detailed, prioritized list of community development and housing needs; and
 - Economic development and employment opportunities
 - Community connectivity and public safety
 - Removal of vacant, abandoned, and severely deteriorated structures
 - Rehabilitation of aging housing stock
 - Affordable and quality housing options
 - Downtown revitalization and accessibility
 - Neighborhood infrastructure improvements, stabilization and reinvestment
7. A narrative discussion of the scope of the project including the proposed improvements, costs, benefit area, impact on community finances, etc.
 - The City of Lincoln proposes the demolition and site clearance of the former Oasis building located at 501 Pulaski Street in Lincoln's historic downtown. The building was severely damaged by fire in 2013 and has remained vacant since that time. After more than a decade of continued deterioration, the property has become a significant source of blight and presents potential public safety concerns within the downtown district.
 - The project will include demolition of the structure, removal and proper disposal of debris, necessary environmental or hazardous-material abatement, utility disconnections, and final grading and stabilization of the site. Total project costs will include demolition, environmental services, site restoration, and other eligible project-related expenses.
 - The project will benefit the broader downtown area by eliminating a highly visible blighted structure, improving public safety and the appearance of the historic district, protecting surrounding public and private investment, and preparing the property for future productive use. CDBG funding will reduce the financial burden on the City while addressing a property that could otherwise require increasing expenditures for code enforcement, emergency response, stabilization, and eventual demolition.

- Removal of the Oasis building will support the City's ongoing downtown revitalization efforts and create an opportunity for future redevelopment that can strengthen the local tax base, encourage private investment, and contribute to the long-term economic vitality of downtown Lincoln.

Required Topics for the Streetscape Project:

1. The amount of funds available;
 - State Funds: \$905,440
 - Non-State Funds: \$0 (City)
 - Total Funds: \$905,440
2. The project activities that will be undertaken with CDBG funding, including amount;
 - Sidewalk Replacement and ADA-Compliant Concrete Installation
 - Decorative Street Lighting and Electrical Infrastructure
 - Curb, Gutters and Drainage Adjustments
 - Design and Construction Engineering
 - Activity Delivery - \$40,000

We do not have a cost breakdown for all activities. The total cost is estimated to be \$905,440.

3. The project activities that will be undertaken with additional project funding, including amount;
 - N/A
4. The estimated amount proposed for activities that will benefit LMI individuals;
 - \$905,440
5. Plans for minimizing displacement as a result of the CDBG grant-assisted activities and to assist persons actually displaced, if applicable;
 - The city does not anticipate the permanent displacement of any residents or businesses because of the proposed CDBG-assisted downtown streetscape project. However, the city recognizes that construction activities may temporarily affect access, parking, deliveries, visibility, and normal operations for businesses and residents located within the project area. To minimize these impacts, the City will implement a coordinated construction and access plan in consultation with the project engineer, contractor, downtown businesses, residents, and property owners.
6. A detailed, prioritized list of community development and housing needs; and
 - Economic development and employment opportunities
 - Community connectivity and public safety
 - Removal of vacant, abandoned, and severely deteriorated structures
 - Rehabilitation of aging housing stock
 - Affordable and quality housing options

- Downtown revitalization and accessibility
- Neighborhood infrastructure improvements, stabilization and reinvestment

7. A narrative discussion of the scope of the project including the proposed improvements, costs, benefit area, impact on community finances, etc.

- The City of Lincoln proposes a comprehensive streetscape improvement project within the historic downtown district. The project will continue the City's ongoing downtown revitalization efforts by extending improvements like those previously completed along Pulaski Street into another important area of the downtown.
- Proposed improvements will include replacement of deteriorated sidewalks and related infrastructure, accessibility improvements, upgrades to electrical infrastructure, installation or replacement of decorative lighting and streetscape fixtures, and other improvements necessary to create a safer, more functional, and attractive downtown environment. The project will also address aging infrastructure while improving pedestrian access and the overall appearance of the historic district.
- The project will benefit downtown businesses, property owners, residents, employees, customers, and visitors by improving safety, accessibility, infrastructure, and the overall pedestrian experience. These improvements will complement previous public and private investments and provide a more consistent and cohesive streetscape throughout downtown Lincoln.
- CDBG funding will help reduce the financial burden on the City associated with replacing aging infrastructure while allowing local resources to address other community needs. The project is expected to encourage continued private investment, support existing businesses, improve the marketability of vacant or underutilized properties, and strengthen the downtown commercial district.
- By building upon the successful revitalization of Pulaski Street, this project represents the next phase of Lincoln's long-term effort to preserve, improve, and strengthen its historic downtown as a center for commerce, government, tourism, and community activity.

Required Statement for record:

The city would like to advise the public that records associated with the CDBG grant applications be available for public review. The grant narrative, grant application, and grant budget will be available for inspection at City Clerk's Office, at city hall, Monday through Friday from 8:30am – 4:30pm excluding holidays. Anyone wishing to review these materials may visit the City Clerk's office during regular business hours.

ESTABLISHMENT AND ANNUAL ADMINISTRATION OF
THE LINCOLN COLLEGE TAX INCREMENT FINANCING (TIF) DISTRICT
by and between
THE CITY OF LINCOLN, LOGAN COUNTY, ILLINOIS
and
JACOB & KLEIN, LTD.
and
THE ECONOMIC DEVELOPMENT GROUP, LTD.

THIS AGREEMENT is entered into this 5th day of October, 2026, by and between the **CITY OF LINCOLN, ILLINOIS** (the “City”); and **JACOB & KLEIN, LTD.**, Bloomington, Illinois, an Illinois Professional Service Corporation (“J&K”); and **THE ECONOMIC DEVELOPMENT GROUP, LTD.**, Bloomington, Illinois, and Illinois Corporation (“EDG”). The City, J&K and EDG may hereinafter be referred to as the “Parties” to this Agreement.

WHEREAS, the City wishes to establish a Tax Increment Financing (TIF) District within the City pursuant to the Tax Increment Allocation Redevelopment Act (the “Act”), 65 ILCS 5/11-74.4-1 *et. seq.*; and

WHEREAS, the City desires to engage the professional services of J&K to render administrative services and legal advice and EDG to render technical advice to assist the City in establishing and annually administering a Tax Increment Financing Redevelopment Plan, Area and Projects for the proposed **LINCOLN COLLEGE TIF DISTRICT** (the “TIF District”).

NOW, THEREFORE, the Parties agree as follows:

1. **City to Engage J&K and EDG.** The City agrees hereby to engage the services of J&K and EDG for the purposes set forth herein and J&K agrees to provide all legal advice to EDG and the City to prepare or coordinate the preparation of Reports, the TIF District Redevelopment Plan, Notices and Documentation (including those reports prepared by other professionals) necessary to complete the Establishment and the Annual Administration of the TIF District Redevelopment Plan, Area and Projects as required pursuant to State Statutes and as outlined in ***Exhibit 1. Professional Services Relating to the Establishment of the TIF District*** and ***Exhibit 2. Professional Services Relating to the Annual Administration of the TIF District.***
 - a. The Parties agree that J&K, as Attorneys, will undertake those responsibilities that require legal advice or preparation under this Agreement on behalf of the City or EDG. EDG is a separate corporate entity owned by Herbert J. Klein. Mr. Klein is also the principal owner of Jacob & Klein, Ltd. (J&K).  - b. J&K may, in addition, be retained by the City as its special attorney to perform other professional services outside the Scope of Services set forth herein, including

representation of the City before State agencies or the Illinois Legislature. Such representation shall be at the Attorney's then current hourly rate for similar services or as otherwise agreed. Any such representation shall be pursuant to a written agreement between the Parties.

- i. Legal services provided by J&K and/or consulting services provided by EDG relating to financing, including the issuance of Bonds involving the TIF District, will be billed separately from this Agreement and subject to the terms of any agreements related to such financing or Bonds.
 - ii. If retained as a Registered Municipal Advisor through a separate Letter of Engagement, EDG will analyze the potential use of TIF Revenue Bonds, Developer Notes, and other financing alternatives, as well as arrange for Bond Counsel when required by the City.
 - iii. This Agreement does not include representation in any Court case resulting from the establishment of the TIF District Redevelopment Plan, Area or Projects or the Annual Administration of the TIF District.
- c. The total Fees and Reimbursable Costs to be paid hereunder by the City to J&K and EDG, when billed by each of the separate entities, will not be duplicated and will not exceed the total Fees and Reimbursable Costs provided for herein.
- d. The Parties agree that pursuant to *Section 5/11-74.4-3(q)(1)* of the Act, all Professional Fees and related Costs incurred by the City for Establishing and Annually Administering the TIF District are TIF eligible project costs and are fully reimbursable to the City from the real estate tax increment generated by the TIF District.
- e. The City hereby acknowledges that J&K and EDG are not responsible for monitoring and documenting matters relating to compliance with the Illinois Prevailing Wage Act, the Illinois Procurement Code, and any other wage and/or employment laws, to the extent such are applicable to any public or private project undertaken within the TIF District Redevelopment Project Area or the Area as may be amended in the future.

2. Establishment of the TIF District.

- a. **Services.** J&K and EDG will provide services as outlined in **Exhibit 1** to Establish the TIF District.
- b. **Term.** This Professional Services Agreement for the Establishment of the TIF District shall commence immediately and shall continue until the presentation of the TIF District Redevelopment Plan and appropriate ordinances to the City Council for the Establishment of the TIF District. It is anticipated that the TIF District will be established on or before **February 1, 2027**, barring unexpected complications.
- c. **Payment of Fees and Reimbursable Costs.** The total Base Professional Fee to be paid to J&K and EDG for the Establishment of the TIF District shall be **Forty-Four**

Thousand Two Hundred Fifty and 00/100 Dollars (\$44,250.00), plus Costs, and are to be paid by the City as follows:

- i. J&K and EDG shall be paid a total sum of **Fourteen Thousand Seven Hundred Fifty and 00/100 Dollars (\$14,750.00)** upon execution of this Agreement.
- ii. J&K and EDG shall be paid an additional total sum of **Fourteen Thousand Seven Hundred Fifty and 00/100 Dollars (\$14,750.00)** and Costs incurred to date, upon delivery of the proposed TIF Redevelopment Plan to the City.
- iii. The balance of the Professional Fee, of **Fourteen Thousand Seven Hundred Fifty and 00/100 Dollars (\$14,750.00)**, and the remaining Costs for the Establishment of the TIF District, shall be paid when the Plan and final Ordinances are presented to the City Council for passage.
- iv. For purposes of this Agreement, staff costs do not include the time of Attorneys Nic Nelson or Herb Klein (J&K), or the time of Gwen Crawford (EDG) while performing said Professional Services described in **Exhibit 1** subject to the following conditions:
 1. All travel will be reimbursed for mileage at the maximum rate permitted by Internal Revenue Service Rules and Regulations at the time of service. Other administrative functions will be provided by EDG. EDG will also provide financial feasibility analyses for new proposed private developments. J&K will provide legal services required in the preparation of new Redevelopment Agreements and other legal documents and legal opinions.
 - ii. To the extent possible, J&K and EDG will attempt to include in Private Redevelopment Agreements provisions allocating a portion of the Annual Administrative Fees, Annual Costs and other fees to those Private Developments on a pro-rata basis determined by the increment generated by those Developments which have Redevelopment Agreements.
- b. **Term.** The term of the Annual Administrative Services provided in this Agreement shall be for three (3) years and shall commence immediately following the establishment of the TIF District. Thereafter, this Agreement shall automatically renew at the end of each three-year period during the life of the District as a roll-over, for a new period of three years, absent notice of non-renewal as provided herein. This Agreement as it relates to annual administrative services may be terminated by written notice of non-renewal from the City to J&K and EDG no later than one (1) year prior to the end of each contract period. If the City provides J&K and EDG written notice of non-renewal less than one (1) year prior to the end of a contract period, then J&K and EDG shall not be responsible for preparing and filing the TIF District Annual Report relating to the current fiscal year in which notice of non-renewal is received. Upon receiving written notice of non-renewal, J&K and EDG is to provide to the City a final invoice for professional fees and costs incurred as of the date of the termination.
- c. **Payment of Annual Administrative Fee and Reimbursable Costs.**
 - i. The Annual Administrative Fee to be paid by the City to J&K and EDG for the Annual Administration of the TIF District shall be **Five Thousand Seven Hundred Fifty Dollars (\$5,750)**.  - ii. In addition to the Annual Administrative Fee, all Reimbursable Costs incurred by J&K and EDG as part of the Annual Administration of the TIF District shall be reimbursed to J&K and EDG by the City, including all reasonable travel and subsistence expenses while away from Bloomington or Peru, Illinois, all photocopying, report binding, mailings, postage, and staff costs.

Such are to be reimbursed at customary rates charged by J&K or EDG. For purposes of this Agreement, staff costs do not include the time of Attorneys Herb Klein or Nic Nelson (J&K) or Gwen Crawford (EDG) while performing said Professional Services described in **Exhibit 2** and subject to the following conditions:

1. All travel will be reimbursed for mileage at the maximum rate permitted by Internal Revenue Service Rules and Regulations at the time of service. All other costs which are incidental to the administration of the TIF District, including staff costs, photocopying and report binding, mailings, postage, and telecommunication charges, shall be reimbursed at the current rates then charged by J&K and EDG.
- iii. For Annual Administrative Fees, and Annual Administrative Costs, J&K and EDG shall bill the City on a quarterly basis. For the purpose of this Agreement, Quarterly Billings shall occur as follows:

TAX INCREMENT FINANCING (TIF) DISTRICT
by and between
THE CITY OF LINCOLN, LOGAN COUNTY, ILLINOIS
and
JACOB & KLEIN, LTD.
and
THE ECONOMIC DEVELOPMENT GROUP, LTD.

THIS AGREEMENT is entered into this 5th day of October, 2026, by and between the **CITY OF LINCOLN, ILLINOIS**, an Illinois Municipal Corporation (the “City”); and **JACOB & KLEIN, LTD.**, Bloomington, Illinois, an Illinois Professional Service Corporation (“J&K”); and **THE ECONOMIC DEVELOPMENT GROUP, LTD.**, Bloomington, Illinois, and Illinois Corporation (“EDG”). The City, J&K and EDG may hereinafter be referred to as the “Parties” to this Agreement.

WHEREAS, on or about March 4, 2013, the City established a Tax Increment Financing (TIF) District within the City pursuant to the Tax Increment Allocation Redevelopment Act (the “Act”), 65 ILCS 5/11-74.4-1 *et. seq.* known as the **LINCOLN CENTRAL BUSINESS DISTRICT TIF DISTRICT** (the “TIF District”); and

WHEREAS, pursuant to the terms herein set forth in this Agreement, the City desires to engage the professional services of J&K to render legal advice and EDG to render technical advice to assist the City in Annually Administering the Tax Increment Financing Redevelopment Plan, Area and Projects for the TIF District.

NOW, THEREFORE, the Parties agree as follows:

1. **City to Engage J&K and EDG.** The City agrees hereby to engage the services of J&K and EDG for the purposes set forth herein and J&K agrees to provide all legal advice to EDG and the City to prepare or coordinate the preparation of Reports, Notices and Documentation (including those reports prepared by other professionals) necessary pursuant to State Statutes and as outlined in ***Exhibit 1. Professional Services Relating to the Annual Administration of the TIF District.***
 - a. The Parties agree that J&K, as Attorneys, will undertake those responsibilities that require legal advice or preparation under this Agreement on behalf of the City or EDG. EDG is a separate company and is owned in-whole by Herbert J. Klein. Mr. Klein is also the principal owner of Jacob & Klein, Ltd. (J&K). The City is entering into this Agreement voluntarily and with informed consent after the opportunity to consult with independent counsel as to the ownership of both entities by Herbert J. Klein.
 - b. J&K may, in addition, be retained by the City as its special attorney to perform other professional services outside the Scope of Services set forth herein, including

representation of the City before State agencies or the Illinois Legislature. Such representation shall be at the Attorney's then current hourly rate for similar services or as otherwise agreed. Any such representation shall be pursuant to a written agreement between the Parties.

- i. Legal services provided by J&K and/or consulting services provided by EDG relating to financing, including the issuance of Bonds involving the TIF District, will be billed separately from this Agreement and subject to the terms of any agreements related to such financing or Bonds.
 - ii. If retained as a Registered Municipal Advisor through a separate Letter of Engagement, EDG will analyze the potential use of TIF Revenue Bonds, Developer Notes, and other financing alternatives, as well as arrange for Bond Counsel when required by the City.
 - iii. This Agreement does not include representation in any Court case resulting from the establishment of the TIF District Redevelopment Plan, Area or Projects or the Annual Administration of the TIF District. Additional legal representation and fees will be determined on a case-by-case basis.
- c. The total Fees and Reimbursable Costs to be paid hereunder by the City to J&K and EDG, when billed by each of the separate entities, will not be duplicated and will not exceed the total Fees and Reimbursable Costs provided for herein.
- d. The Parties agree that pursuant to *Section 5/11-74.4-3(q)(1)* of the Act, all Professional Fees and related Costs incurred by the City for Annually Administering the TIF District are TIF eligible project costs and are fully reimbursable to the City from the real estate tax increment generated by the TIF District.
- e. The City hereby acknowledges that J&K and EDG are not responsible for monitoring and documenting matters relating to compliance with the Illinois Prevailing Wage Act, the Illinois Procurement Code, and any other wage and/or employment laws, to the extent such are applicable to any public or private project undertaken within the TIF District Redevelopment Project Area or the Area as may be amended in the future.

2. Annual Administration of the TIF District.

- a. **Services.** J&K and EDG will provide the services as outlined in ***Exhibit 1*** to annually administer the TIF District for Fiscal Year 2027 and thereafter.
 - i. On an annual basis, all of the legal review of documents and matters relating to the statutory compliance of public and private development activities occurring within the TIF District are provided by J&K in the Annual Administrative Fee. Other administrative functions will be provided by EDG. EDG will also provide financial feasibility analyses for new proposed private developments. J&K will provide legal services required in the preparation of new Redevelopment Agreements and other legal documents and legal opinions.

- ii. To the extent possible, J&K and EDG will attempt to include in Private Redevelopment Agreements provisions allocating a portion of the Annual Administrative Fees, Annual Costs, and other fees to those Private Developments on a pro-rata basis determined by the increment generated by those Developments which have Redevelopment Agreements.
 - iii. For J&K and EDG to effectively perform its obligations as set forth hereunder, the City understands and acknowledges that it is hereby obligated to provide J&K and EDG, at their request, any and all necessary documents, records and information relating to the establishment and administration of the TIF District. The City shall not hold J&K or EDG liable for the non-performance of any obligation hereunder that results from any failure of the City, for whatever reason, to provide such necessary documents, records, or information. Notwithstanding anything contained herein to the contrary, J&K and/or EDG may, in its sole discretion, unilaterally terminate this Agreement at any time upon the failure of the City to provide such necessary documents, records and information as requested to the satisfaction of J&K and EDG.
 - iv. J&K and EDG shall not be responsible for the work done by others in the establishment and administration of the TIF District, including any documents filed with the State of Illinois, County Clerk or County Assessor from the inception of the work to establish the TIF District and thereafter.
- b. **Term.** The term of the Annual Administrative Services provided in this Agreement shall be for three (3) years and shall commence upon the execution of this Agreement. Thereafter, this Agreement shall automatically renew at the end of each three-year period during the life of the TIF District as a roll-over, for an additional three (3) year period, absent notice of non-renewal as provided herein. This Agreement as it relates to annual administrative services may be terminated by written notice of non-renewal from the City to J&K and EDG no later than one (1) year prior to the end of each contract period. If the City provides J&K and EDG written notice of non-renewal, then J&K and EDG shall not be responsible for preparing and filing the TIF District Annual Report relating to the current fiscal year in which notice of non-renewal is received. Upon receiving written notice of non-renewal, J&K and EDG is to provide to the City a final invoice for professional fees and costs incurred as of the date of the termination.

MEMORANDUM

TO: Mayor and Aldermen of the City of Lincoln

FROM: Walt Landers, Street Superintendent

MEETING

DATE: September 29, 2026

RE: **Boiler Replacement at the City of Lincoln Municipal Services Building**

Background

The Boiler system at the Municipal Services Building was installed new during the construction of the facility in 2016. As time went on, we began having numerous issues with the system, and this has persisted. At times it has been difficult to obtain parts for repairs. These issues have created concerns that a complete failure could happen at any time.

Analysis/Discussion

It was decided by Mr. Woodhall and myself that moving forward it would be best that the boiler be replaced.

A Request for Proposals was advertised in the local paper September 9, 2026, with an opening scheduled for September 25, 2026. One proposal was received from Bret Tripplett Heating and Cooling. The cost of the replacement in that proposal was \$40,020.00.

Fiscal Impact

This expense was considered and included in the 2026/2027 budget in Line 02-1400-6431, Repairs/Maint.-Municipal Ser. Bldg.

COW Recommendation

Place the Boiler Replacement proposal on the agenda for the October 5, 2026, Regular Council Meeting for approval.

Proposal

Proposal Submitted To: City of Lincoln Municipal Services Building	Today's Date: September 21, 2026
Phone #: 217-732-4655	E-mail: N/A
Address: 313 Limit St. Lincoln, IL 62656	Job Name/Location: Replace Boilers

We propose hereby to furnish material and labor necessary for the completion of:

Installation of three (3) Navien 199,000 BTU/hr, 95% AFUE, fully modulating, on-demand condensing boilers. The boilers will be installed in a cascade configuration and staged to provide efficient operation based on system demand. Installation will be completed in accordance with manufacturer requirements, applicable local building codes, and ASME standards.

The existing designated boilers will be disconnected, drained, removed, and disposed of off-site in accordance with applicable regulations. The new boilers will be installed using a commercial-grade mounting system and piped into the existing hydronic heating system. Primary/secondary hydronic piping will be reconfigured as required to accommodate the new multi-boiler cascade arrangement. Existing expansion tanks will be reused. A new backflow preventer and pressure-reducing valve will be furnished and installed.

New wet-rotor, sealed-cartridge, maintenance-free circulating pumps suitable for hydronic service will be furnished and installed.

The new boilers' cascade communication/control system will be integrated with the existing building/master heating controls. Existing controls will continue to provide system control where applicable.

Each boiler will be vented directly outdoors using new Schedule 40 PVC piping for both combustion-air intake and exhaust, installed in accordance with manufacturer requirements for equivalent lengths and all applicable clearances.

Condensate from each boiler will be routed through a dedicated condensate neutralizer kit and discharged through PVC piping to an approved nearby gravity drain.

The hydronic system will be flushed and cleaned, and the system fill water will be tested. The entire hydronic system will then be chemically treated with Fernox Protector to protect against scale and corrosion.

We will obtain all required mechanical, plumbing, and electrical permits and coordinate required municipal inspections. Upon completion, the boiler system will receive a full startup and commissioning, including combustion analysis and verification of applicable safety limits, including low-water cutoffs and high limits. A written copy of the combustion analysis/report will be provided to the city.

The new Navien boilers will come with a 3 year parts, 10 year heat exchanger, and 1 year labor warranty.

Existing System Conditions: This proposal is based on the existing controls and heating system being operational and suitable for connection to the new boilers. Any repairs, modifications, or replacement of existing system components found necessary beyond the work specifically described above will be discussed and quoted separately before additional work is performed.

We propose hereby to furnish material and labor - complete in accordance with above specifications for the sum of:

Forty thousand twenty dollars and 00/100 dollars (\$40,020.00)

Payment as follows: 100% upon job completion

All material is guaranteed to be as specified. All work to be completed in a substantial workmanlike manner according to specifications submitted, per standard practices. Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements contingent upon accidents or delays beyond our control.

In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Consultant under this Contract shall, at the option of the Owner, become its property and the Consultant shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder.

Notwithstanding the above, the Consultant shall not be relieved of liability to the Owner for damages sustained by the Owner by virtue of any breach of the Contract by the Consultant, and the Owner may withhold any payments to the Consultant for the purpose of set-off until such time as the exact amount of damages due the Owner from the Consultant is determined.

2. Termination for Convenience of the Owner. The Owner may terminate this Contract at any time by giving at least thirty (30) days notice in writing to the Consultant. If the Contract is terminated by the Owner as provided herein, the Consultant will be paid for the time provided and expenses incurred up to the termination date. Provided, however, that the claims for money by the Consultant from the Owner under this Contract may be assigned to a bank, trust company, or other financial institution without such approval.

Written notice of any such assignment or transfer shall be furnished promptly to the Owner.

Reports and Information. The Consultant, at such times and in such forms as the Owner may require, shall furnish the Owner such periodic reports as it may request pertaining to the work or services undertaken pursuant to this Contract, the costs and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Contract.

Equal Employment Opportunity. During the performance of this Contract, the Consultant agrees as follows:

The Consultant will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, religion, or sex. The Consultant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, creed, color, national origin, religion, or sex. Such action shall include, but not be limited to, employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Consultant agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Owner setting forth the provisions of this non-discrimination clause.

The Consultant will, in all solicitation or advertisements for employees placed by or on behalf of the Consultant, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, national origin, religion, or sex.

The Consultant will cause the foregoing provisions to be inserted in all subcontracts for any work covered by this Contract so that provisions will be binding upon each subcontractor, provided that the foregoing provisions shall not apply to contracts or subcontracts for standard commercial supplies or raw materials.

The Consultant will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

The Consultant will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of

the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the Owner and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

In the event of the Consultant's noncompliance with the non-discrimination clauses of this Agreement or with any of such rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part, and the Consultant may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

The Consultant will include the provisions of paragraphs (a) through (g) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204, Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Consultant will take such action with respect to any subcontract or purchase order as the City may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event the Consultant becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Owner, the Consultant may request the United States Government to enter into such litigation to protect the interests of the United States.

Civil Rights Act of 1964. Under Title VI of the Civil Rights Act of 1964, no person shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

Section 109(a) of the Housing and Community Development Act of 1974. No person in the United States shall on the grounds of race, color, national origin, religion, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under this title.

Section 503 of the Rehabilitation Act of 1973, as amended, provides for the nondiscrimination in contractor employment. All recipients of Federal funds must certify to the following through all contracts issued.

Affirmative Action for Handicapped Workers.

The consultant will not discriminate against any employee or applicant for employment because of physical or mental handicap in regard to any position for which the employee or applicant for employment is qualified. The consultant agrees to take affirmative action to employ, advance in employment, and to otherwise treat qualified handicapped individuals without discrimination based upon their physical or mental handicap in all employment practices, such as employment upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship.

The consultant agrees to comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.

In the event of the consultant's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the Act.

The consultant agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Director, provided by or through the contracting officer. Such notices shall state the consultant's obligation under the law to take affirmative action to employ and advance in employment qualified handicapped employees and applicants for employment, and the rights of the applicants and employees.

The consultant will notify each labor union or representative of workers, if applicable, with which it has a collective bargaining agreement or other contract understanding that the contractor is bound by terms of Section 503 of the Rehabilitation Act of 1973 and is committed to take affirmative action to employ and advance in employment physically and mentally handicapped individuals.

The consultant will include the provisions of this clause in every subcontract, if applicable, or purchase order of \$2,500 or more unless exempted by rules, regulations, or orders of the Secretary issued pursuant to Section 503 of the Act, so that such provisions will be binding upon each subcontractor or vendor. The consultant will take such action with respect to any subcontractor or purchase order as the Director of the Office of Federal

Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

16. Section 504 of the Rehabilitation Act of 1973, as amended, provides for nondiscrimination of an otherwise qualified individual solely on the basis of his handicap in benefiting from any program or activity receiving Federal financial assistance. All recipients must certify to compliance with all provisions of this Section.
17. Age Discrimination Act of 1975. No person in the United States, on the basis of age, shall be excluded from participation in, be denied benefits of, or be subjected to discrimination under, any program or activity receiving Federal financial assistance.
18. Authorized Employees. Consultant covenants that it will not knowingly employ, hire for employment, or continue to employ any unauthorized aliens to perform work on the Project, and that its employees are lawfully to work in the United States.
19. Interest of Members of a City. No member of the governing body of the City and no other officer, employee, or agent of the City, who exercises any functions or responsibilities in connection with the planning and carrying out of the program, shall have any personal financial interest, direct or indirect, in this Contract, and the Consultant shall take appropriate steps to assure compliance.
20. Interest of Other Local Public Officials. No member of the governing body of the locality and no other public official of such locality, who exercises any functions or responsibilities in connection with the planning and carrying out of the program, shall have any personal financial interest, direct or indirect, in this Contract, and the Consultant shall take appropriate steps to assure compliance.

Interest of Consultant and Employees. The Consultant covenants that he/she presently has no interest and shall not acquire interest, direct or indirect, in the study area or any parcels therein or any other interest which would conflict in any manner or degree with the performance of his/her services hereunder. The Consultant further covenants that in the performance of this Contract, no person having any such interest shall be employed.

Unallowable Costs. The Consultant agrees to repay Owner for any administrative or project delivery costs subsequently deemed unallowable under the cost principles found in 2 CFR 200, or 24 CFR 570.

Suspension and Debarment.

The Consultant certifies that, neither the Consultant firm nor any owner, partner, director, officer, or principal of the Consultant, nor any person in a position with management responsibility or responsibility for the administration of federal funds:

(a) Is presently debarred, suspended, proposed for debarment, and declared ineligible or voluntarily excluded from covered transactions by any federal or state department/agency;

(b) Has within a three-year period preceding this certification been convicted of or had a civil judgment rendered against it for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public transaction or contract (federal, state, or local); violation of federal or state antitrust statutes; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(c) Is presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state, or local) with commission of any of the offenses enumerated in paragraph (b) above; or

(d) Has within a three-year period preceding this certification had one or more public transactions or contracts (federal, state, or local) terminated for cause or default.

The Consultant further certifies that it shall not knowingly enter into any transaction with any subcontractor, material supplier, or vendor who is debarred, suspended, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department/agency

Unauthorized Use of Product. The City agrees that it will not sell, trade, share, or otherwise provide documents produced by the contractor as part of this contract to any other organization or individual without first receiving written permission from the Contractor to take such action.

The City acknowledges that the decision to proceed with

the application and the technical assistance and services to be provided under this agreement have been the sole and exclusive decision of the City, and the City releases the Contractor and its employees and representatives from all liability or claims of liability in the event of revocation thereof.

Each party agrees that with respect to any losses covered by or required to be covered by insurance under the terms of this Agreement, each party hereby waives and releases the other, its officers, directors, employees and agents, from any and all claims and liability or responsibility with respect to such losses, including losses arising out of the inability to conduct business. Each party further agrees that its insurance companies shall have no right of subrogation against the other due to this release. The parties agree to have their respective insurance carriers waive any right to subrogation that such companies may have so long as the insurance is not invalidated thereby.

MEMORANDUM

TO: Mayor and Aldermen of the City of Lincoln

FROM: Walt Landers, Street Superintendent

MEETING

DATE: September 29, 2026

RE: Approval of Lease to purchase New 2027 Dump Truck and Snowplow

Background

The Street Department would like to move forward with the lease to purchase a 2027 International dump truck and snowplow with salt spreader and prewet kit.

Analysis/Discussion

The truck chassis will be purchased from Rush Truck Centers of Springfield Illinois for \$115,837. This is through the State of Illinois Joint Purchase Contract B-41660 JPMC, Bid number 24-416CMS-Boss-B-41660. The upfit for the snow and ice control equipment will be purchased and installed by Koenig Body & Equipment of Peoria Illinois for \$127,864.00. I will work with Treasurer Conzo to secure the best option for financing.

Fiscal Impact

The total cost for the truck and equipment is \$243,701.00. The intent is to make a down payment of \$75,000.00, which was budgeted, then finance the difference of \$168,701.00, preferably for a term of three years.

COW Recommendation

Approve the down payment and the lease purchase of a 2027 International Dump Truck and Snow and Ice Control equipment
